

MMD
EQUIPMENT

- 5.5 HP Honda gasoline engine — easy-starting with low oil shutdown
- 19.7 x 23.0 inch plate
- Standard water sprinkler included; holds 2.64 gallons of water
- Transport wheels standard
- Enclosed dual-belt system provides high performance and extended reliability
- Swing handle offers versatility, promotes safety and is easy to operate
- Handle design reduces vibration to operator
- Three-year engine warranty

CompactionPro 800 Plate Compactor

The CompactionPro 800 is ideal for hot and cold asphalt patching, sand, soil, gravel, and any other compaction needs. It provides up-to-the-edge compaction next to buildings, curbs, and other spaces. Standard features include transport wheels for easy mobility and a water sprinkler system with a removable 2.6 gallon tank. The ergonomic handle is easily adjustable, simplifying use and reducing harmful vibration to the operator. The machine features a fully enclosed dual-belt system that lasts twice as long competing models. The world-class 5.5hp Honda engine has an automatic low oil shutdown system, and an industry best three-year warranty.
